HRS Report for AHV Board Meeting 11/23/2026

Completed by Nancy Dotson

HRS has terminated the lease agreement for our previous Vinton County office and has signed a new lease for a facility located at 31053 Industrial Park Drive, Unit 4. The new location will require some renovations before operations can resume, with an anticipated opening date of January 1, 2027. In the meantime, staff have been relocated, and services continue to be provided at other HRS locations or virtually, as needed, to ensure continuity of care.

Please see draft floor plan of new facility.
