WITH THE GOAL OF:

#END OVERDOSE

AND RAISE AWARENESS

Overdose Awareness Day Event at Ohio University Baker Center September 2, 2025 10:00AM - 2:00PM

Hosted by Ohio University Office of Health Promotions.

- 14 local agencies and organizations represented with resources available
- Approximately 40-45 individuals visiting the event

Participating Organizations:

- Recovery Connections of SE Ohio
- Athens Photo Project/Recovery Reframed
- Athens County Health Department
- NAMI Athens
- Clem House
- Hopewell
- Athens Hope
- JFS/Ohio Means Jobs
- Health Recovery Services
- Appalachian Children's Coalition
- SOCIL
- Ohio Health
- Collegiate Recovery Community
- OU Office of Health Promotions
- Columbus Springs

This event brought together several behavior health, recovery, and mental health organizations and agencies from the Athens community and Ohio University to promote and raise awareness on Ohio University's campus of the dangers of overdose, and resources available on and off campus. There was also connection and networking between agencies and organizations.

Our Guest Speaker, Preston K. Moore, from Columbus Springs and a person in long term recovery, brought a message of hope and recovery from his own personal story.

Recovery Reframed opened their exhibition at the Trisolini Gallery in Baker Center. They also conducted Recovery Reframed Workshop & Portraits.

There was a banner provided for people to write names of friends and family members lost to overdose.

Sponsored by

- OhioMHAS
- Project Dawn
- 317 Board

This event was coordinated by a team from Recovery Connections, Athens Photo Project, Athens Hope, and Ohio University.
