Dear 317 Board:

Our Accreditation Survey with the Commission on Accreditation of Rehabilitation Facilities (CARF) is completed and we received a three-year accreditation. This occurred October 27, 28, and 29 and it was a three-day process. They went to every one of our sites to inspect the offices for cleanliness, safety, environmental factors, quality of service and to speak to clients, stakeholders, and TASC staff.

Darla, Kelly, Carrie and I were at the administrative office for all three days as they went through all of our electronic health records, as well as looked at all of our policies and procedures. Additionally, they looked at plans, leadership, fiscal, risk assessments, health and safety, and outcomes.

Thank you for your continued support.

Sincerely,

Stephen K. Thomas, CEO

TASC of Southeast Ohio
