

# **TASC of Southeast Ohio**

**A Bridge Between Justice and Treatment**

3/17/2026

Dear 317 Board:

TASC of Southeast Ohio is doing well. We are presently preparing to begin a project with the Hocking County Municipal Court. We will be providing services to inmates at the new jail, which use to be Hocking Correctional Facility. This will be an all-female jail and we will be providing such services as:

- Assessment
- Case Management
- Treatment Planning
- Relapse Prevention
- Re-entry Planning
- Individual Counseling
- Group Counseling

TASC of Southeast Ohio will be providing the SUD services, while Hopewell will be providing the Mental Health treatment services. This is an exciting project and this is just a brief description of what TASC will Be providing. I look forward to sharing a more detailed description and outcomes with you in the future.

Sincerely,

Stephen K. Thomas, CEO
