

TASC of Southeast Ohio

A Bridge Between Justice and Treatment

June 22, 2026

Dear 317 Board:

TASC of Southeast Ohio is doing well. We are preparing to unroll our mental health Programming in the next couple of months. We are very excited about this, as our clinical supervisors will be heading it up. Justin Saunders was hired about two months ago and he comes to us from Nationwide Children's Hospital in Columbus with 11 years of experience in clinical supervision and training.

TASC is also moving forward in the prevention arena and we look to begin providing prevention services within the next year. Should you have any questions please do not hesitate to contact me by phone at (740) 339-3032 or by email thomas2035@sbccglobal.net

Thank you,
