

REGION 10

REGIONAL GRANT CYCLE 2 FUNDING SUMMARY

Through its Regional Grant Cycle 2, the OneOhio Recovery Foundation, in partnership with its 19 Regional Boards, is again awarding grants to support projects across the state. These initiatives are dedicated to combating Ohio's substance misuse epidemic and fostering recovery efforts in communities statewide.

Grant awards are approved by OneOhio's Board of Directors following a robust process that includes input from OneOhio Regions, as well as the Foundation's Expert Panel and the Grant Oversight Committee.

The OneOhio Recovery Foundation is a nonprofit, charitable organization created at the direction of state and local leaders to distribute 55 percent of the funds our state will receive from the pharmaceutical industry as a consequence of its role in the national opioid epidemic.

APPROVED USES OF FUNDING

Impacted Children & Families

Helping children and families impacted by parental substance use and the opioid epidemic heal through resources, trauma and grief support, and resilience-building.

Criminal Legal System

Improving outcomes for justice-involved people with substance use and co-occurring mental health disorders at all stages of the criminal legal system.

Harm Reduction

Supporting public health interventions to reduce the harms of substance use at both the individual and community levels.

Crisis Response

Delivering programs and services that support identification, intervention and crisis support in any setting of care.

Prevention

Supporting prevention at all levels of substance use, including a range of services delivered in schools, the community, health care or other settings.

Public Safety & First Responders

Supporting the collaborative efforts of first responders and law enforcement officials.

Recovery

Supporting individuals sustaining recovery, building recovery capital, and removing barriers to a life of recovery.

Treatment

Expanding the availability and quality of treatment for substance use disorders and co-occurring mental health conditions.

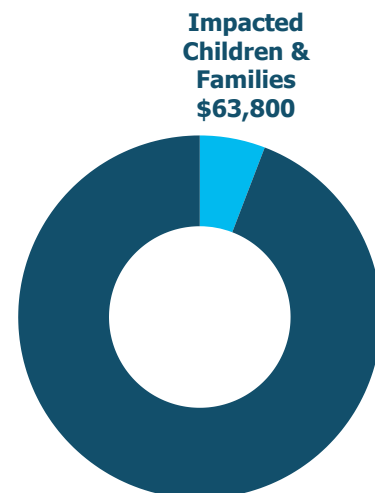

Workforce Development

Supporting efforts to recruit and train Ohio's behavioral health workforce.
